Ordinance/ Municipal Orders: Mailed another copy of the audit to the State, and we published

the Budget Ordinance.

Financial Report: Anita Wilborn presented the Expense Report, Glenn made motion and Krystal second the motion, and the board approved it unanimously.

New Business: We received an email from residence to compliment us for getting things done and for cleaning up the City. Today is Anita's last meeting with us; we hired Roy Coleman to take her role as Treasurer, and she will be missed. LG&E has lines hanging low and hitting trees, they need to be maintained. Erica wants the City to support her and to keep their daycare they have in their house as is; would like to have the board members to write a letter showing support. There is a RV parked in a resident's yard, and we need a "No Parking" sign on Northumberland, they are blocking the view for drivers. There is another resident that has multiple families living in one house.

Old Business: All our sign for the speed humps/bumps are not the same, we are going to replace them with the same sign to be uniform. And the newsletter went out via email.
