Legal/Contracting:

Garbage bids –

-Any questions?

- Rumpke – Mayor Stonum asked if the 3 year contract would keep the same pricing? No other increases? Bid specs show 4 dumpsters for Treis Condos, but the contract shows 3 dumpsters. How do drivers handle containers placed incorrectly at the curb?
 - o Eco Tech – Mayor Stonum asked if the pricing is fixed for 3 years? Extra charge to resident if they request a 2nd bin.

-Discussion on options:

- Option #1 Trash, Recycle and Yard Waste – weekly
- Option #2 Trash – weekly. Recycle and Yard Waste – bi-weekly Yard Waste – April 1 – Nov 15.
- Option #3 Only Trash (2 bins) No Recycle or Yard Waste
- Pickup day will change to Wednesdays

-Voting on garbage bids

- Mayor Stonum – Eco Tech
- Commissioner Beville – Eco Tech
- Commissioner Recendez – Eco Tech
- Commissioner Metcalf – Eco Tech
- Mayor Stonum thanked Rumpke for their past services.
- Eco Tech will begin as our garbage service on June 30, 2025. Rumpke and Eco Tech will work together to schedule the exchange of waste bins. Eco Tech will send 2 mailers to our residents to

advise of the change in garbage pickup service. Mayor Stonum asked Eco Tech to provide a sample mailer to COWH prior to May city meeting.

- *No solicitation matter – Last month Mayor Stonum discussed a No Solicitation matter. Attorney DeWees advised that still no reply from the email sender.*
- *Mayor Stonum is concerned about the yard waste being brought into COWH and put at the curb by 2 residents for pickup by our garbage service. He will provide Attorney DeWees with the 2 involved addresses.*

Roll Call vote – Mayor Stonum – yes; Commissioner Metcalf – yes; Commissioner Recendez – yes; and Commissioner Beville – yes. Mayor Stonum passed around a copy of the official resolution for each Commissioner to mark their vote and sign. The resolution will be posted on our website.*
- *Mayor Stonum and Commissioner Metcalf had lunch with Detective Mason from Derby City Protection.*
 - o *Discussed upcoming contract renewal. Any increases? Yes - \$20/hour increase to hourly rate. That is still below the \$40,000 annual amount, which would require the bidding process.*
 - o *It was noted that COWH is about the only city that requires their police to actually work! Mayor Stonum is wondering what COWH can do to encourage officers to work. How about a Renumeration (award) Program? For example: Level 1 would be the highest and relate to violent felony. Detective Mason checked with METRO and this is legal. Award money would be paid to the security office on a quarterly basis (1099's to recipients) and use HB 413 money to pay for it. Mayor Stonum explained that all cities who have a security contract receive the HB 413 money from the state. Mayor Stonum asked commissioners to think about this and discuss next month.*
 - o *Motion was made by Mayor Stonum to renew contract with Derby City Protection and seconded by Commissioner Beville. Vote was unanimous.*

Citizens Comments: None

Old Business:

- *Commissioners Input – none*
- *New laptop for City Clerk - Mayor Stonum feels that COWH should move forward on the purchase of a new laptop prior to tariff increases. No later than June would be a good time to start. Get bid from previous provider. Build new one. Old one to be used to create reports from the speed signs. Suggested that Commissioner Beville's son might be interested in submitting a bid.*
- *Bike to Beat Cancer – Anyone contact them?*
- *2026 Budget – Current budget working well. Renumeration would fall under Security.*

- *Commissioner Metcalf advised Channel 3 for radio check tonight.*

- *2025 Property Tax mailing*
 - o *Companies we have previously used – Louisville Mail is gone and Graphic Village has shut down.*
 - o *Kim with Mail Louisville provided two company names to check with plus Crystal Adams' employer.*
 - o *Maybe do ourselves, but we wouldn't be able to use bulk postage rate.*
 - o *Print "Tax Bill Enclosed" on the envelope.*

No report from Mayor Stonum

Mayor Stonum explained about a problem with US Mail. The check we mailed to Attorney DeWees was delivered to us (as sender) as opposed to him (as recipient). Mayor Stonum contacted Independence Bank that Treasurer Small uses for bill pay. Seems USPS has issue with using the larger bar code for sender as opposed to smaller bar code as recipient.

The meeting was adjourned at 9:02 pm with a motion by Commissioner Metcalf and seconded by Commissioner Recendez.
