

Ecotech's Waste Disposal Guidelines

Ecotech KY, LLC has provided each home with two 95-gallon waste bins.
One bin is for trash, and the bin with a yellow lid for recycling.

Collection schedule for all services will be Monday:

- Trash pickup will be weekly. Labor Day week, service(s) will be performed on Tuesday.
- Recycling and Yard Waste services is bi-weekly.
- Yard Waste service period will be April 1st to November 15th.
- One large item per month per address.

Garbage:

- Set your bin(s) at the curb by 6 AM on collection day. Bins should be within 2 feet of the curb with the handle and wheels facing away from the street.
- Do not place bins near mailboxes or cars.
- Federal Law forbids all Waste Disposal companies from accepting batteries, tires, liquids, dead animals, combustible materials, and/or hazardous waste.
- **Do Not** dispose any type of florescent bulbs and/or lithium batteries in your garbage.
- Bulky materials including drywall, carpet, lumber, concrete, bricks, dirt or rocks are not acceptable.

Call (502) 935-1130 to schedule large item(s) pickup.

- Furniture, Appliances, etc.
- Kentucky Public Safety and Health regulations require all upholstered furniture and mattresses to be wrapped completely in plastic.
- Appliances containing refrigerants require special handling, please contact Ecotech for details.

Recycling Bin items:

- Plastic bottles & jugs
- Glass bottles and jars
- Aluminum and steel can & lids
- Paperboard (ie: cereal, pasta, and cake mix boxes)
- Cardboard
- Office paper, envelopes, and junk mail
- Newspapers, magazines, and inserts
- Telephone books and catalogs
- Cartons broken down
- If you have recyclable items, which exceed the size or amount your bin, please call Ecotech to request and schedule a large item pickup.

Yard Waste:

- Filled **Paper** Yard Waste bags. **(No Plastic Lawn or Trash/Garbage Bags)**
- Marked Yard waste carts filled to the top lip of the container.
- Branches-bundles: 50 pounds or less in weight, and not over 4 feet long, with no branches over 4 inches in diameter.

Important note: All service contractors are responsible for the removal of their work's debris.
